NOTICE TO MEMBERS

AMALGAMATION DISCUSSIONS WITH KIAMA BOWLING AND RECREATION CLUB

Dear Members,

On Tuesday 29th January 2019 a Clubs NSW E-Circular was released in which The Kiama Bowling and Recreation Club called for expressions of interest in regards to amalgamation. The Kiama Leagues Club Board of Directors were one of many Clubs to respond and enter informal discussions with The Kiama Bowling and Recreation Clubs Board of Directors. The purpose of these meetings was to come to an understanding of what an amalgamation may look like if The Kiama Leagues club was confirmed to be the preferred option for an amalgamation.

It is with great pleasure that I can confirm that The Kiama Bowling and Recreation Club Board of Directors voted in favour of the Kiama Leagues club being the preferred amalgamation option in a meeting held on Friday 12th April 2019. This decision was made due to the Directors of both Clubs desire to preserve the community hub that is The Kiama Bowling and Recreation Club as well as their strong stance on keeping the game of Bowls alive and strong within the Kiama community.

In the next step a Memorandum of Understanding (MOU) will be prepared by lawyers representing both clubs. Following this the proposed amalgamation must be approved at separate General Meetings of the ordinary members of both The Kiama Leagues and Kiama Bowling and Recreation Clubs. The Club will give Members notice of any such General Meeting in accordance with the requirements of its Constitution in due course.

Make no mistake, the Board and Management of Kiama Leagues Club remain deeply committed to growing our Club as well as continued investment toward capital improvements to our Club. To this end, Renovations will begin in the Auditorium in May 2019 and the Board remain in regular discussions surrounding the development and expansion of our Club to ensure it continues to fulfil the needs and wants of our Members.

Sincerely,

Jesse O'Brien
General Manager
For and on behalf of
Board of Directors
