

## **NOTICE TO MEMBERS**

Pearce & Percy Constructions Australia Pty Limited has been commissioned to complete the construction of the Club's latest renovation. This renovation will see the bistro balcony enclosed to become a climate controlled extension of the bistro and sports bar dining areas with the addition of a brand new bar that will be accessible from the new lounge/dining area.

Unfortunately the children's play gym will be out of service throughout the duration of the construction period, however it will remain in its current location and be enclosed with acoustic rated glass for future use after the area re-opens.

Construction times are between 7am and 5pm Mon-Sat however there will be a "Quiet Time" between 12-1pm Mon-Fri and from 12pm onwards on Saturdays where loud works will cease in order to continue a peaceful dining experience for our Members.

Construction will commence March 2020 and be completed July 2020.
